

## git merge

### Fast-forward merge

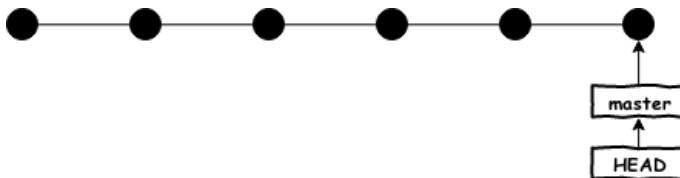

### Merge

```
git merge dev
```

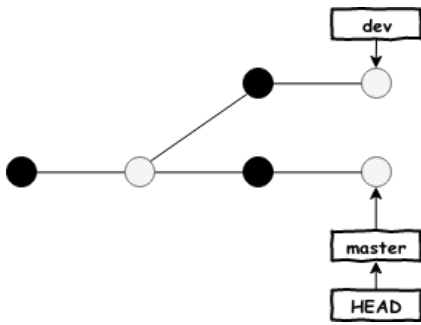

### Branch löschen

```
git branch -d dev
```

## 3-way merge

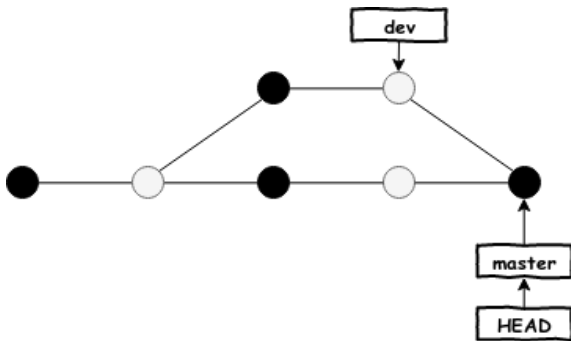

## Merge

```
git merge dev -m "Merge dev"
```

Bei Konflikt zusätzlich

1. Dateien bearbeiten
2. `git add .`
3. `git commit -m "Merge dev"`

## Branch löschen

```
git branch -d dev
```
